Services

At Jangal Printing & Packaging Complex, we offer integrated solutions across three core areas

Printing Solutions

High-quality printing for books, publications, and commercial products with a focus on precision and scalability.

Packaging Solutions

Custom-designed packaging that enhances product presentation while meeting durability and market standards.

Custom Production

Tailored printing and packaging services for brands and organizations, from small batches to large-scale industrial production.

Consultation & Why Jangal

At Jangal, we go beyond printing — we provide expert consultation to help you choose the right solutions for your product, market, and production needs.
From materials and design to production methods and scalability, our team works closely with you to ensure the best possible outcome.

Why Jangal?

- Industrial-scale production capabilities
- Consistent quality and advanced technology
- Fast and reliable delivery
- Competitive pricing for global markets
- Proven experience in international projects

We are committed to being a reliable partner you can trust — from the first idea to final delivery.

Jangal Group

Print • Publishing • Education

Jangal Printing & Packaging Complex is part of Jangal Group — a well-established organization with over three decades of experience across publishing, printing, and education.

Through its diverse business units, Jangal Group delivers integrated solutions and plays a key role in supporting content creation, production, and distribution.

This strong foundation enables Jangal Print to operate with greater reliability, expertise, and a broader industry perspective.
